

# BURIAL CONDUIT | Flexible Conduit Systems

## FLEXIBLE UNDERGROUND BURIAL CONDUIT

### Underground Burial Conduit

- Twin walled conduit, corrugated exterior, smooth bore, complete with draw wire.

**Application:** Low Tension Electrical and Communication/Data Cable Protection

**Temperature Range:** -10°C to 60°C

**Crush Resistance:** ≥450N With Vertical Deflection Equivalent to 5% of Original Diameter

**Min Bending Radius:** 8 Times OD

**Material:** HDPE High Density Polyethylene

**Standards:** EN 61386-24

**Colour:** Black or Red

Code	Conduit Size	Conduit ID	Conduit OD	Coil Lengths (m)
UBC40	40	32.0	40.0	50
UBC50	50	40.0	50.0	50
UBC63	63	51.0	63.0	50
UBC75	75	61.0	75.0	50
UBC110	110	94.0	110.0	50
UBC160	160	137.0	160.0	50
UBC200	200	182.0	200.0	25
