

Multi-Hole Inserts

GripLoc®

GripLoc Multi-Hole Inserts can be used in place of the standard GripLoc seal. Multiple holes allow easy insertion and sealing of several cables into one gland while maintaining high levels of ingress protection. Suitable for use with either Nylon or Brass GripLoc glands.

GripLoc® Inserts

Introducing the new range of Multi-Hole Inserts for Brass and Nylon cable glands from Remora. Zero Halogen.

Custom seal design service also available. Send us your enquiry.
