

Anti-Vandal Guard

Galvanised Steel / HDPE Plastic

Anti-Vandal Guard is available manufactured from Steel or HDPE plastic. Designed for use with cables, pipes or tape where protection is required from accidental damage or vandalism. Designed to be installed on any flat or curved surface including; walls, fences and telegraph poles.

Non-Metallic

- Protection of vertical/horizontal cable runs on wooden poles, fences and walls
- Manufactured from HDPE which provides an excellent balance of rigidity and high impact strength
- Supplied with screw fixing holes for easy installation
- Can also be used to protect other utility supplies on walls i.e. gas, oil, water
- Lightweight and easily transported
- With UV and flame retardant additives.

Metallic

- Protection of vertical/horizontal cable runs on wooden poles, fences and walls
- Manufactured from galvanised steel providing an increased level of security and strength
- Galvanised finish provides excellent corrosion resistance for installations exposed to the elements
- Supplied with screw fixing holes for easy installation
